

FOR IMMEDIATE RELEASE

## Springpoint Certified as a Great Place to Work® for 2025-2026

***Prestigious recognition highlights Springpoint's ongoing dedication to fostering a thriving and inclusive workplace culture.***

With an outstanding 93% of team members participating in a comprehensive employee survey, Springpoint is honored to be certified by Great Place To Work®, a global leader in workplace culture and employee experience. Respondents offered honest feedback and thoughtful insight, highlighting the organization's ongoing commitment to its people and thriving workplace culture.

This rigorous certification process—conducted by Great Place to Work Institute, Inc. in partnership with its senior care affiliate, Activated Insights—involved an in-depth survey of team members from every Springpoint community and affiliate, which currently numbers over 1,700. Standout respondent statements for 2025 include:

- 88% are proud to work for Springpoint
- 89% feel their work makes a difference
- 90% feel team members are made to feel welcomed when they join Springpoint
- 88% feel good about the ways Springpoint contributes to the community

These results reflect Springpoint's dedication to providing meaningful growth opportunities, fostering open communication, and creating an environment where team members feel valued, supported, and empowered to make a difference in the lives of those they serve.

"This certification is a testament to the dedication and compassion of every Springpoint team member and the pride they take in helping residents live life to the fullest," said Anthony A. Argondizza, President and CEO of Springpoint. "Earning the Great Place to Work certification underscores our mission to continue fostering a culture rooted in respect, support, and belonging."

Springpoint introduced a variety of initiatives aimed at empowering and enhancing support for employees, including the upcoming launch of Springpoint University—a comprehensive professional development program. Springpoint University offers a broad array of continuing education courses designed to build valuable skills and strengthen leadership abilities. Additional efforts include the Springpoint Strong Fund, CNA Training Program, Educational Assistance Program, ESL Program, and a new floating holiday benefit.

The Springpoint leadership team will actively review all comments and suggestions and is committed to making meaningful changes that reflect all insights that were shared during this process. Such feedback fuels the organization's growth and helps build an even stronger, more connected Springpoint community.
